

CERTIFICATE of ANALYSIS

Product name: Aloe vera dices syrup

Internal Ref: 06.010.13

Customer Ref: 12030

Lot: 18090126

Best before date: 26/09/2020

TECHNICAL SHEET: 09/04/2018 Rev 00

DESCRIPTION OF THE PRODUCT

Product description: 10mm cubes of ecological aloe vera with syrup made with leaves of Aloe Barbadensis M. from certified ecological fields and ecological sugar. Product is manufactured in our IASC certified factory of Pradoluengo (Burgos).

Process: The leaves of Aloe Vera are received fresh in our factory. They are cleaned, peeled and we obtain the peeled aloe vera. Then they are cut in 10mm cubes, cleaned, packed with a covering liquid (syrup) and autoclaved.
